

PAYMENT COUPONS FOR YOUR CONVENIENCE

Please use the enclosed coupons to make planning and budgeting for camp 2010 easier.

Send your \$50 registration fee with the Registration Form using the August coupon and guarantee your spot at camp next summer! Use the remaining coupons throughout the year to budget and pay for camp in small increments. For example:

- o If you send the \$50 registration fee in August and then send \$40 per month for the next 10 months (through June 1st) camp will be paid for and you will have \$25 in your Tuck Shop account (or your T shirt and CD will be paid for).
- o If you send the \$50 registration fee the first month and then send \$100 on a quarterly schedule camp will be paid for (again with money in the Tuck Shop or your CD and T shirt paid for).
- o Find the balance that is right for you and your family. You can send any amount (it doesn't have to be the same each time) and you can send it when it works best for you. The idea is to help you pay for camp throughout the year so there isn't a large bill in the spring.
- o You can also use these coupons to share with family and friends for your birthday or Christmas. The monthly date doesn't matter – cross it out and write Birthday or Christmas gift.
