SPECIAL OPPORTUNITIES

HORSE PROGRAM:

Horsemanship is for campers entering **grades 7-12**. Skill-building classes teach campers how to ride correctly and safely and to care for the horse and equipment. A special fee of \$50 is required, and you **must** pre-register by sending this fee with your registration form.

Trail Riding class will ride in the arena for 2 days practicing trail obstacles and then trail ride the last 3 days. There will be no CHA certification received from these classes. You must be in **grade 8 – 12** to participate and have **completed Elementary horsemanship** from CHA. A special fee of \$50 is required, and you **must** pre-register by sending this fee with your registration form.

Try out the new class called **Bits and Buckles**. It is designed for girls going into **6th grade** who have already taken Horse Sense and would like a little something different or campers who have some horsey experience but just are not old enough for Horsemanship. It will be fun and challenging. A special fee of \$30 is required, and you **must** pre-register by sending this fee with your registration form.

Horse Sense is for girls entering **grades 5-6**. This class is designed to teach you about horses and how to take care of them. This class is the foundation for the horsemanship class. There is a limited amount of riding on a lunge line. A special fee of \$20 is required, and you **must** pre-register by sending this fee with your registration form.

LEADERSHIP TRAINING:

CILT (Campers in Leadership Training) is for high school girls interested in learning and developing leadership skills. These skills will help you in school and church, and prepare you to be a counselor at camp. This is a four-week program spread over two years. Girls entering 11th grade with previous camping experience are eligible for CILT. For more information email Scooter at scooter@cedarbrooktexas.com.

We also have a CILT program for high school boys entering 10th grade with previous camping experience. It is a three-year program that has been modeled after the girls' four-week CILT program. For more information email Killdeer at killdeer@cedarbrooktexas.com.
