

TRAILBLAZER SATURDAY MORNING WATCH

PRAY: Ask God to help you keep your eyes on Him.

It's Saturday, the final day of Camp Cedarbrook 2020! This is your last morning at camp to start your day with God. Our prayer is that you will choose to carve out time each day at home investing in your relationship with the Lord. This morning, we are going to focus on God's VISION of the future.

Memory Verse: Hebrews 12:2 "Let us fix our eyes upon Jesus, the author and perfecter of our faith..."

- When you return home, what circumstances will be waiting for you?
- Past today, what does your future look like?
- Have you thought about the far future? Have you thought about heaven?
- What do you think heaven will be like?
- What do you think it will be like to see God?

If you are not sure, that is okay. The Bible explains why you may not be sure:

1 Corinthians 13:12 (CEV) Now all we can see of God is like a cloudy picture in a mirror. Later we will see him face to face. We don't know everything, but then we will, just as God completely understands us.

We began this week in Genesis, the first book of the Bible. Remember that Adam and Eve had a relationship with God with no barriers. That's how it will be in heaven.

While Jesus walked on the earth, He informed us that in heaven our relationship would be like it was in the beginning.

John 14:2-3 (NKJV) 2 In My Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you. 3 And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also.

Let's read more about heaven. Go to Revelation in your Bible; it's the last book.

Find the second to last chapter, Revelation 21. Read verses 2-4.

- Where will God be?
- Where will His people be?
- What will not be in heaven?
- How exciting is that!!!
- Are you one of His people?
- If not, what is holding you back from being one of His people?

When you are one of God's people, you will know and understand God's VISION.

When you know and understand God's VISION, you will fix your eyes on Him, the author and perfecter of your faith. Your life will not be the same.

Pray and thank God for showing you His VISION and ask Him to help you fix your eyes on Him daily-relying on the Holy Spirit, studying His word (Bible), praying, and praising Him so that you are able to love, share the truth about Him, and serve others until His return.
