

CAMPER CLUE

Dear Parents,

This summer, we will be looking at what it means to "BE STILL and KNOW GOD." As the business of life has resumed after the pandemic, it is becoming harder for us and for children to stop, to be still. The theme verse, Psalm 46:10, says, "**Be still, and know that I am God. I will be exalted among the nations, I will be exalted in the earth!**" When we take time to be still, to focus on God, we will know Him more. Knowing Him, we will want to exalt and praise Him. We are excited that your child will be joining us as we learn how to "BE STILL and KNOW GOD" in a world that is never still.

CHECK-IN TIME
SUNDAY 2:00 to 3:00 pm

CHECK-OUT TIME
SATURDAY
9:30 to 10:00 am

ARRIVAL AND DEPARTURE

We request that you honor the arrival and departure times as posted since camp activities are carefully scheduled around these times. Registration will be a drive-through registration where parents will remain in their cars. There will be 4 stops: registrar (to verify forms, payment, and turn in Tuck Shop money), head check for lice, nurse, and director. Parents will then drive to the cabin. Parents are to unload and say goodbye outside the cabin. If you would like to see more of the camp, please let Executive Director, Quito, know during the registration process, and she will make arrangements for you to see the rest of camp. PLEASE ARRIVE NO EARLIER THAN THE TIME SPECIFIED FOR CHECK-IN.

Goodbye on Saturday will also be a drive-through. As you drive in, you will be greeted by a member of the staff who will radio the cabin to let your child's counselor know you are there. The next stop as you enter will be the nurse to pick up any medications that were brought to camp and to give her the opportunity to talk with you. The counselor and camper will come out to your car when you reach the cabin.

We ask that you work with us to make both check-in and check-out as smooth as possible. We are implementing these procedures to make camp as safe as possible for campers and staff.

If for some reason you need to update any of the forms, you can do that at any time [online](#). This is especially true for the Release Form and Parent Questionnaire. **Remember the person picking up your camper must be listed on the Release Form.

HEALTH NOTES

A doctor's examination is optional. You would not want your child's enjoyment of camp lessened because of his/her poor physical health, nor would you want your child to become ill at camp because another camper was sick.

Your child is in good hands. We have a nurse on duty twenty-four hours a day, and a licensed physician is always on call. You will be contacted if your child should require a physician's attention.

Our insurance covers medical costs for bodily injuries for which we are legally liable. **All other medical expenses are the responsibility of the camper's parent or legal guardian.**

PLEASE DO NOT SEND ANY MEDICATION WITH YOUR CHILD unless

it is to be taken on a regular basis. All medications **must** be documented online and then will be turned over to the nurse during registration at camp. The nurse will administer them as prescribed. The infirmary is well equipped with medications and first-aid items. **NO** medication of any kind will be permitted in the cabins. Eardrops will be furnished by the camp and administered to each child daily.

During registration, we will be checking for head lice. Since the warm, humid climate of the South encourages lice infestation, we are taking this precaution to help every camper have a more enjoyable time at camp.

If your camper comes down with suspected COVID, parents **MUST come pick them up within 8 hours after being contacted by the nurse.**

DIETARY NEEDS

We want to do our best in accommodating dietary needs and restrictions, and we need your help in order to do that. Please fill out the form below with detailed information only if you have dietary needs – especially about food allergies. The Food Service Manager (nutritionist) may contact you with any questions.

DISCIPLINE

Campers are expected to abide by safety, health, and courtesy rules. **"LIGHTS OUT" IS ENFORCED** so all will get adequate rest. Pranks are inconsistent with our philosophy and are not considered acceptable. Please refer to the Code of Conduct you signed during the online registration if you have any further questions.

In the event that we must send a camper home because his/her behavior endangers self or others, no portion of the camper fee will be refunded.

REFUND POLICY

CAMP CEDARBROOK TEXAS knows that even the best-laid plans may change. We will make every effort to work with you when your plans must change. However, cancellations result in a loss to CCT due to expenses we have paid on behalf of your camper such as room and board and supplies. Also, cancellations often deprive other children the opportunity of coming to camp.

The CAMP CEDARBROOK TEXAS refund policy is as follows:

1. The \$100 registration fee is NON-refundable, and non-transferred.
2. Cancellations after June 1 and prior to the first day of a camp are NON-refundable, except for medical reasons accompanied by a signed doctor's statement,
3. No refund will be given for cancellations on or after the first day of a camp week or in the event of a camper leaving any time during the camp week.

MAIL

Cheerful letters are especially important while away from home. Encourage participation in the games and activities. Omit any sad news such as the death of a pet or that you miss your son/daughter because these types of remarks could cause homesickness. Please do not send any candy or other edible goods. If you didn't sign up for emails, write soon and often. It takes an average of 3-4 days for us to receive mail, so consider mailing letters before your child even leaves for camp.

PACKING SUGGESTIONS

Common sense is the best guide to choosing clothes for camp. Remember that the nights can be cool, while the days are hot. A sun hat or cap is recommended; legs need protection on hikes and on horses, so don't forget jeans. We do manage to get dirty, so bring extra of each type of clothing.

Another good suggestion is to pack your clothes in a container that is no higher than 18 inches so it will fit under the bunk. Pack all your bedding in your dirty clothes bag. At the end of the week all your clothes are in the dirty clothes bag, and you can now put all your bedding in the suitcase to go home. Don't pack too heavy. You may have to carry things a short distance to the cabin.

★★ DRESS CODE ★★

1. Clothing shall be of sufficient length or fullness to modestly cover the body when the camper is sitting, standing, stooping, or bending.
2. Items of clothing which expose bare midribs, undergarments, or that are transparent (see-through) are prohibited. Tank tops with straps wider than one inch are permitted. Please be advised that spaghetti straps, shirts which expose a bare back, halter tops, and tube tops are prohibited.
3. Boys must wear shirts unless they are at the waterfront.
4. Articles of clothing which display profanity, products, or slogans which promote tobacco, alcohol, drugs, sex or are in any other way distracting, are prohibited.
5. Swimming / all water recreation:
 - Swimsuits for boys: swim trunks only (no shorts, cut-offs, or Speedos)
 - Swimsuits for girls: one-piece suits recommended; two-piece suits allowed if midriff is covered; no string, thong or crochet
 - Swimsuits are only to be worn during water activities.
6. If there is a concern, the appropriate Division Director will make the decision. The DD may ask you to change and you must comply.

DO'S AND DON'TS

DO label your belongings with name tags or indelible ink.

DO use "Deep Woods Off" or "Skintastic" bug repellent as these are more effective in this area.

DO bring plenty of towels for showers, swimming, water games, & boating activities.

DO bring skit ideas and props.

DON'T bring sandals; we don't want your feet to be injured.

DON'T bring food, candy, or gum because these attract unwanted "visitors" into your cabin.

DON'T bring a TV, cell phone, radio, electronic games, iPad, etc. so that you can concentrate on camp.
